

Civil War The Road To J Michael Straczynski

This is likewise one of the factors by obtaining the soft documents of this **Civil War The Road To J Michael Straczynski** by online. You might not require more times to spend to go to the ebook establishment as without difficulty as search for them. In some cases, you likewise pull off not discover the declaration Civil War The Road To J Michael Straczynski that you are looking for. It will categorically squander the time.

However below, as soon as you visit this web page, it will be for that reason totally easy to get as competently as download lead Civil War The Road To J Michael Straczynski

It will not take on many epoch as we accustom before. You can reach it though feign something else at home and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we find the money for under as well as review **Civil War The Road To J Michael Straczynski** what you later to read!

Civil War 2007-02-21 Presents a collection of comics featuring the world's mightiest heroes, including Spider-Man, Fantastic Four, and Avengers. [e-Pedia: Captain America: Civil War](#) Contributors, Wikipedia 2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. *Captain America: Civil War* is a 2016 American superhero film based on the Marvel Comics character Captain America, produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures. It is the sequel to 2011's *Captain America: The First Avenger* and 2014's *Captain America: The Winter Soldier*, and the thirteenth film of the Marvel Cinematic Universe (MCU). The film is directed by Anthony and Joe Russo, with a screenplay by Christopher Markus & Stephen McFeely, and features an ensemble cast, including Chris Evans, Robert Downey Jr., Scarlett Johansson, Sebastian Stan, Anthony Mackie, Don Cheadle, Jeremy Renner, Chadwick Boseman, Paul Bettany, Elizabeth Olsen, Paul Rudd, Emily VanCamp, Tom Holland, Frank Grillo, William Hurt, and Daniel Brühl. In *Captain America: Civil War*, disagreement over international oversight of the Avengers fractures them into opposing factions—one led by Steve Rogers and the other by Tony Stark. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 634 related (linked) Wikipedia articles to the title article. This book does not contain illustrations.

Colors and Blood Robert E. Bonner 2018-06-05 As rancorous debates over Confederate symbols continue, Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel. In the process, he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens. Bonner also comments more broadly on flag passions--those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die. *Colors and Blood* depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy. Northerners and southerners alike devoted incredible energy to flags, but the Confederate project was unique in creating a set of national symbols from scratch. In describing the activities of white southerners who designed, sewed, celebrated, sang about, and bled for their new country's most visible symbols, the book charts the emergence of Confederate nationalism. Theatrical flag performances that cast secession in a melodramatic mode both amplified and contained patriotic emotions, contributing to a flag-centered popular patriotism that motivated true believers to defy and

sacrifice. This wartime flag culture nourished Confederate nationalism for four years, but flags' martial associations ultimately eclipsed their expression of political independence. After 1865, conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders' rebellion, and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause. At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power. Confederate flag culture, black southerners' charged relationship to the Stars and Stripes, contemporary efforts to banish the Southern Cross, and arguments over burning the Star Spangled Banner have this in common: all demonstrate Americans' passionate relationship with symbols that have been imaginatively soaked in blood.

Friendly Fire in the Civil War Webb Garrison 1999-04-12 More than 100 true stories of comrade killing comrade: defective ammunition accidental shootings blinding smoke deliberate fire upon comrade mistaken uniforms inexperienced troops unknown passwords On May 2, 1863, Stonewall Jackson was on the verge of the greatest victory of his career. Shortly before 10 P.M. he rode through the woods near Chancellorsville, Virginia, to find where the Federals had established their line. As he returned, his own men, in the noise and confusion, opened fire, wounding Jackson several times. One of the Civil War's first heroes died eight days later. Stonewall Jackson's death is but one example of Confederate killing Confederate or Yankee killing Yankee. No war was as intense and chaotic as the American Civil War. Author Webb Garrison has brought together Jackson's story and 150 other instances of friendly fire in this unique book that strips away the romanticism of the Civil War. "[With] night setting in, it was difficult to distinguish friend from foe. Several of our own command were killed by our own friends." ?Ambrose Wright at Malvern Hill "I thought it better to kill a Union man or two than to lose the effect of my moral suasion." ?Union Officer Louis M. Goldsborough "Whilst in this position my regiment was shelled by our own artillery. The officer in command should be made to pay the penalty for this criminal conduct." ?Confederate Col. Edward Willis, speaking of a battle at Gettysburg "Seemingly not content with the speed that the enemy were slaughtering us, one of our own batteries commenced a heavy and destructive fire on us." ?Union Maj. Thomas S. Tate, speaking of Tupelo, Mississippi

Together We Will Go J. Michael Straczynski 2022-02-22 The Breakfast Club meets The Silver Linings Playbook in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New

York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

The Greatest Brigade Thomas J. Craughwell 2011-07-01 The Irish Brigade played a key role in all the major battles including the Peninsula Campaign, Antietam, Fredericksburg, Chancellorsville, Gettysburg, Petersburg, and Appomattox and wasn't decommissioned until WWI. It was full of larger than life characters and effectively led by a charismatic commander who was court marshaled for revolutionary activity in Ireland and was dismissed to enable him to serve in the war. Some numbers say that this unit lost more than 4,000 soldiers, one of the largest body counts of any brigade, if not the largest. This is a tale of a critical and incredible fighting force, packed with immigrants that helped win the war not only through bravery and war tactics but also by scaring the English out of the war with threats of violence at home. It's a story every Civil War history buff should know and it is told with page-turning excitement that has made Craughwell a bestselling history author.

The 124th New York State Volunteers in the Civil War Charles J. LaRocca 2012-10-09 The 124th New York State Volunteers was one of the great fighting regiments of the Civil War. In this thorough history, the author has used letters, diary entries, and remembrances, many of them previously unpublished, to present a view of the war as the men in the ranks saw it. At Chancellorsville, Gettysburg, the Wilderness, Spotsylvania Court House, Petersburg, and many more battles, the "Orange Blossoms" earned a reputation for sacrifice and bravery, eloquently put into words by Private Henry Howell. As he lay wounded, he described the charge that broke the Confederate line at Spotsylvania—"everyone was borne irresistibly forward. There was no such thing as fail." The book includes a roster of all who served in the regiment and numerous photos of individuals.

Lee's Miserables J. Tracy Power 2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence, diaries, and other papers as during the Civil War. Based on research in more than 1,200 wartime letters and diaries by more than 400 Confederate officers and enlisted men, this book offers a compelling social history of Robert E. Lee's Army of Northern Virginia during its final year, from May 1864 to April 1865. Organized in a chronological framework,

the book uses the words of the soldiers themselves to provide a view of the army's experiences in camp, on the march, in combat, and under siege—from the battles in the Wilderness to the final retreat to Appomattox. It sheds new light on such questions as the state of morale in the army, the causes of desertion, ties between the army and the home front, the debate over arming black men in the Confederacy, and the causes of Confederate defeat. Remarkably rich and detailed, Lee's Miserables offers a fresh look at one of the most-studied Civil War armies. Battles and Leaders of the Civil War, Volume 5 Peter Cozzens 2007-05-29

Indispensable must-reads for all Civil War buffs and historians, bringing together little-known and never before gathered first-hand accounts, articles, maps, and illustrations The first four volumes of *Battles and Leaders of the Civil War*, published in the late nineteenth century, became the best-selling and most frequently cited works ever published on the Civil War. Volume 5, assembled by the acclaimed military historian Peter Cozzens, carries on the tradition of its namesake, offering a dazzling new collection of fresh material written by military and civilian leaders, North and South, on a broad array of war-related topics. Featured articles include General Grant on the second battle of Bull Run, General Beauregard on the Shiloh campaign, General Sherman on the conference at City Point, Joshua Chamberlain on the Fredericksburg campaign, and many more. Also presented are dozens of maps and more than one hundred illustrations.

Millenarian Dreams and Racial Nightmares John H. Matsui 2021-05-19 In *Millenarian Dreams and Racial Nightmares*, John H. Matsui argues that the political ideology and racial views of American Protestants during the Civil War mirrored their religious optimism or pessimism regarding human nature, perfectibility, and the millennium. While previous historians have commented on the role of antebellum eschatology in political alignment, none have delved deeply into how religious views complicate the standard narrative of the North versus the South. Moving beyond the traditional optimism/pessimism dichotomy, Matsui divides American Protestants of the Civil War era into "premillenarian" and "postmillenarian" camps. Both postmillenarian and premillenarian Christians held that the return of Christ would inaugurate the arrival of heaven on earth, but they disagreed over its timing. This disagreement was key to their disparate political stances. Postmillenarians argued that God expected good Christians to actively perfect the world via moral reform—of self and society—and free-labor ideology, whereas premillenarians defended hierarchy or racial mastery (or both). Northern Democrats were generally comfortable with antebellum racial norms and were cynical regarding human nature; they therefore opposed Republicans' utopian plans to reform the South. Southern Democrats, who held premillenarian views like their northern counterparts, pressed for or at least acquiesced in the secession of slaveholding states to preserve white supremacy. Most crucially, enslaved African American Protestants sought freedom, a postmillenarian societal change requiring nothing less than a major revolution and the reconstruction of southern society. *Millenarian Dreams and Racial Nightmares* adds a new dimension to our understanding of the Civil War as it reveals the wartime marriage of political and racial ideology to religious speculation. As Matsui argues, the postmillenarian ideology came to dominate the northern states during the war years and the nation as a whole following the Union victory in 1865.

Battle of Big Bethel J. Michael Cobb 2013-10-19 "A comprehensive study of the Civil War's first major battle . . . well leavened with strategic and political context" (Robert E. L. Krick, author of *Staff Officers in Gray*). Battle of Big Bethel is the first full-length treatment of the small but consequential June 1861

Virginia battle that reshaped perceptions about what lay in store for the divided nation. The successful Confederate defense reinforced the belief most Southerners held that their martial invincibility and protection of home and hearth were divinely inspired. After initial disbelief and shame, the defeat hardened Northern resolution to preserve their sacred Union. The notion began to take hold that, contrary to popular belief, the war would be difficult and protracted—a belief that was cemented in reality the following month on the plains of Manassas. Years in the making, Battle of Big Bethel relies upon letters, diaries, newspapers, reminiscences, official records, and period images—some used for the first time. The authors detail the events leading up to the encounter, survey the personalities as well as the contributions of the participants, set forth a nuanced description of the confusion-ridden field of battle, and elaborate upon its consequences. Here, finally, the story of Big Bethel is colorfully and compellingly brought to life through the words and deeds of a fascinating array of soldiers, civilians, contraband slaves, and politicians whose lives intersected on that fateful day in the early summer of 1861. “The authors do a wonderful job of describing the motivations and mindsets of both the U.S. and Confederate soldiers at the outset of the conflict and handle slavery very effectively throughout.”

—Edward L. Ayers, author of *The Thin Light of*

Coming for to Carry Me Home J. Michael Martinez 2011-12-22 *Coming for to Carry Me Home* examines the concept of race in the United States from the 1830s, when the abolitionists rose to prominence, until the 1880s, when the Jim Crow regime commenced. J. Michael Martinez argues that Lincoln and the Radical Republicans were the pivotal actors, albeit not the architects, that influenced this evolution.

Civil War 2007-05-02 As the approval of the Superhuman Registration Act appears imminent, Peter Parker, also known as Spider-Man, is forced to make an important personal decision on the matter.

Born in Fire J. Michael Straczynski 2000 Twenty years after a comet struck near the town of Pederson, Illinois, granting super powers to the 113 children who were in utero, the people of the world worry what the now-adult children will do with their abilities.

The 96th Pennsylvania Volunteers in the Civil War David A. Ward 2018-05-27 The 96th Pennsylvania Volunteers infantry regiment was formed in 1861—its ranks filled by nearly 1,200 Irish and German immigrants from Schuylkill County responding to Lincoln’s call for troops. The men saw action for three years with the Army of the Potomac’s VI Corps, participating in engagements at Gaines’ Mill, Crampton’s Gap, Salem Church and Spotsylvania. Drawing on letters, diaries, memoirs and other accounts, this comprehensive history documents their combat service from the point of view of the rank-and-file soldier, along with their views on the war, slavery, emancipation and politics.

The Publishers Weekly 2007

A Philosopher Reads...Marvel Comics' Civil War Mark D. White 2022-06-29 We love to see superheroes fight, whether to protect innocent people from supervillains or to save the world. But superheroes also fight each other, and if we can look past the energy blasts and earth-shattering punches, we can find serious disagreements over principles and ethics. This was certainly the case when Captain America and Iron Man went head-to-head over liberty and security in Marvel Comics' epic Civil War storyline, a fictional allegory to post-9/11 America (as well as the basis for the third Captain America film). In his latest book, Mark D. White, author of *The Virtues of Captain America* and editor of *Iron Man and Philosophy*, carefully leads

you through the ethical thinking of the three characters on the front lines of the Civil War: Iron Man, Captain America, and Spider-Man. In his characteristically light and humorous tone, White lays out the basic ethical foundations of each hero's thinking and highlights the moral judgment each must use to put his ethics into action. But also how conflicting principles such as liberty and security must be balanced in the real world, lest both be lost. Written in a style that will be easily accessible to everyone, *A Philosopher Reads... Marvel Comics' Civil War* will be a fascinating read for diehard comic fans and philosophy buffs, as well as those looking for a simple introduction to philosophical ethics.

Fighting Men of the Civil War William C. Davis 1998 Documents the everyday life of the common soldier during the Civil War, including information on what life was like for the soldiers in basic training, combat, and imprisonment.

Civil War 2016-03-29 Reporters Ben Urich and Sally Floyd are determined to uncover the secret truth hidden in the heart of the superhuman Civil War. But to find it, they'll have to brave the front lines of the battle - and that's a very dangerous place to be. Through interviews with heroes, villains, government officials and power players on both sides, Sally and Ben inch ever closer to unraveling the true motivations behind the war - but some secrets should never be brought to light. Plus: Speedball is public enemy No. 1, jailed and blamed for the Stamford disaster that kicked off the war. COLLECTING: CIVIL WAR: FRONT LINE 1-11

Civil War Battlefields David J. Eicher 2005-03-14 This new edition of a popular travel guide provides a detailed accurate and modern approach to touring these national treasures.

Major Problems in the Civil War and Reconstruction: Documents and Essays Michael Perman 2010-06-01 Designed to encourage critical thinking about history, the *Major Problems* series introduces students to both primary sources and analytical essays on important topics in US history. This text, designed to be the primary anthology for the introductory survey course, covers the span of the Civil War. The Third Edition, with new co-author Amy Taylor, includes a new chapter on Lincoln and Davis as military leaders, reorganized home front chapters, and many new documents and essays reflecting the latest scholarship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Challenges of Command in the Civil War Richard J. Sommers 2018-06-14 Dr. Richard Sommers’ *Challenges of Command in the Civil War* distills six decades of studying the Civil War into two succinct, thought-provoking volumes. This first installment focuses on “Civil War Generals and Generalship.” The subsequent volume will explore “Civil War Strategy, Operations, and Organization.” Each chapter is a free-standing essay that can be appreciated in its own right without reading the entire book. Ulysses S. Grant and Robert E. Lee stand out in Volume I as Dr. Sommers analyzes their generalship throughout the Civil War. Their exercise of command in the decisive Virginia Campaign from May 1864 to April 1865 receives particular attention—especially during the great Siege of Petersburg, about which the author has long ranked as the pioneering and pre-eminent historian. Five chapters evaluating Grant and Lee are followed by five more on “Civil War Generals and Generalship.” One of those essays, “American Cincinnatus,” explores twenty citizen-soldiers who commanded mobile army corps in the Union Army and explains why such officers were selected for senior command. Antietam, Gettysburg, and Petersburg are central to three essays on Northern corps and wing commanders. Both Federals and Confederates are featured in “Founding Fathers: Renowned Revolutionary War Relatives of Significant Civil War Soldiers and Statesmen.” The

ground-breaking original research underlying that chapter identifies scores of connections between the "Greatest Generations" of the 18th and 19th Centuries—far more than just the well-known link of "Light Horse Harry" Lee to his son, Robert E. Lee. From original research in Chapter 10 to new ways of looking at familiar facts in Chapters 6-9 to distilled judgments from a lifetime of study in Chapters 1-5, *Challenges of Command* invites readers to think—and rethink—about the generalship of Grant, Lee, and senior commanders of the Civil War. This book is an essential part of every Civil War library.

The Peninsula Campaign of 1862 Kevin Dougherty 2010-01-08 The largest offensive of the Civil War, involving army, navy, and marine forces, the Peninsula Campaign has inspired many history books. No previous work, however, analyzes Union general George B. McClellan's massive assault toward Richmond in the context of current and enduring military doctrine. *The Peninsula Campaign of 1862: A Military Analysis* fills this void. Background history is provided for continuity, but the heart of this book is military analysis and the astonishing extent to which the personality traits of generals often overwhelm even the best efforts of their armies. The Peninsula Campaign lends itself to such a study. Lessons for those studying the art of war are many. On water, the first ironclads forever changed naval warfare. At the strategic level, McClellan's inability to grasp Lincoln's grand objective becomes evident. At the operational level, Robert E. Lee's difficulty in synchronizing his attacks deepens the mystique of how he achieved so much with so little. At the tactical level, the Confederate use of terrain to trade space for time allows for a classic study in tactics. Moreover, the campaign is full of lessons about the personal dimension of war. McClellan's overcaution, Lee's audacity, and Jackson's personal exhaustion all provide valuable insights for today's commanders and for Civil War enthusiasts still debating this tremendous struggle. Historic photos and detailed battle maps make this study an invaluable resource for those touring the many battlegrounds from Young's Mill and Yorktown through Fair Oaks to the final throes of the Seven Days' Battles.

The American Civil War Steven E. Woodworth 1996 A revealing look at the Japanese through the window of their contemporary culture.

The Camden Expedition of 1864 and the Opportunity Lost by the Confederacy to Change the Civil War Michael J. Forsyth 2015-08-01 The Confederacy had a great opportunity to turn the Civil War in its favor in 1864, but squandered this chance when it failed to finish off a Union army cornered in Louisiana because of concerns about another Union army coming south from Arkansas. The Confederates were so confused that they could not agree on a course of action to contend with both threats, thus the Union offensive advancing from Arkansas saved the one in Louisiana and became known to history as the Camden Expedition. The Camden Expedition is intriguing because of the "might-have-beens" had the key players made different decisions. The author contends that if Frederick Steele, commander of the Federal VII Army Corps, had not received a direct order from General Ulysses S. Grant to move south, disaster would have befallen not only the Army of the Gulf in Louisiana but the entire Union cause, and possibly would have prevented Abraham Lincoln from winning reelection.

Crossroads of Freedom James M. McPherson 2004 Pulitzer Prize-winning historian McPherson offers a masterful portrait of the bloodiest single day in American history, the Battle of Antietam, fought on September 17, 1862.

Life and Times of Michael K J. M. Coetzee 2017-01-03 From author of *Waiting for the Barbarians* and Nobel Prize winner J.M. Coetzee. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will

be available January 2018. In a South Africa turned by war, Michael K. sets out to take his ailing mother back to her rural home. On the way there she dies, leaving him alone in an anarchic world of brutal roving armies. Imprisoned, Michael is unable to bear confinement and escapes, determined to live with dignity. This life affirming novel goes to the center of human experience—the need for an interior, spiritual life; for some connections to the world in which we live; and for purity of vision.

Historical Dictionary of the Civil War and Reconstruction William L. Richter 2011-12-01 The second edition of this highly readable, one-volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context. The more than 800 entries, encompassing the years 1844-1877, cover the significant events, persons, politics, and economic and social themes of the Civil War and Reconstruction. An extensive chronology, introductory essay, and comprehensive bibliography supplement the cross-referenced dictionary entries to guide the reader through the military and non-military actions of one of the most pivotal events in American history. The dictionary concludes with a selection of primary documents. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Civil War and Reconstruction.

Libby Prison Breakout Joseph Wheelan 2010-02-09 While many books have been inspired by the horrors of Andersonville prison, none have chronicled with any depth or detail the amazing tunnel escape from Libby Prison in Richmond. Now Joseph Wheelan examines what became the most important escape of the Civil War from a Confederate prison, one that ultimately increased the North's and South's willingness to use prisoners in waging "total war." In a converted tobacco warehouse, Libby's 1,200 Union officers survived on cornbread and bug-infested soup, and slept without blankets on the bare floor. With prisoner exchanges suspended, escape and death were the only ways out. *Libby Prison Breakout* recounts the largely unknown story of the escape of 109 steel-nerved officers through a 55-foot tunnel, and their flight in winter through the heart of the enemy homeland, amid an all-out Rebel manhunt. The officers' later testimony in Washington spurred two far-reaching investigations and a new cycle of retaliation against Rebel captives.

How Superheroes Model Community Nathan Miczo 2016-08-30 *How Superheroes Model Community* examines superheroes as a community engaged in protecting the public sphere. Nathan Miczo highlights and explores the interpersonal and communicative practices that are necessary to being a member of such a community.

Yorktown's Civil War Siege John V. Quarstein 2012-07-24 On 4 April 1862, Major General George McClellan marched his 121,500-strong Army of the Potomac from Fort Monroe toward Richmond. Blocking his path were Major General John B. Magruder's Warwick-Yorktown Line fortifications and the Confederate ironclad CSS Virginia. Despite outnumbering Magruder almost four to one, McClellan was tricked by Magruder's bluff of strength and halted his advance. Yorktown, the scene of Washington's 1781 victory over Cornwallis, was once again besieged. It was the Civil War's first siege and lasted for twenty-nine terrible days. Just as McClellan was ready to bombard Yorktown, the Confederates slipped away because of his delays, McClellan lost the opportunity to quickly capture Richmond and end the war. Historians John V. Quarstein and J. Michael Moore chronicle the Siege of Yorktown and explore its role in the 1862 Peninsula Campaign and the final battles surrounding Richmond.

The Complete Civil War Road Trip Guide: More than 500 Sites from Gettysburg to

Vicksburg (Second Edition) Michael Weeks 2016-03-07 The definitive guidebook for Civil War tourists, from the novice historian to the die-hard buff For those who can't resist trying to see it all, this indispensable book contains information on and reviews of almost 450 historical sites across the United States related to the Civil War, including all 384 of the principal battlefields listed by the Civil War Sites Advisory Commission. Every entry includes an in-depth overview of the history of the battle and its importance to the war, the must-see places at each site, as well as lodging and other travel information. Outlining ten suggested itineraries for short road trips that cover every major battle of the war, The Complete Civil War Road Trip Guide enables historical travelers of any level to experience the Civil War as no other book has done.

After War Ends James Meernik 2019-07-25 A comprehensive and timely analysis of the prospects for peace and justice in Colombia.

The Official Virginia Civil War Battlefield Guide John S. Salmon 2001 142 two-color maps vividly depict battlefield action Detailed local driving directions guide visitors to each battlefield site Of the 384 Civil War battlefields cited as critical to preserve by the congressionally appointed Civil War Sites Advisory Commission, 123-fully one-third-are located in Virginia. The Official Virginia Civil War Battlefield Guide is the comprehensive guidebook to the most significant battles of the Civil War. Reviewed by Edwin C. Bearss and other noted Civil War authorities and sanctioned by the National Park Service and the Virginia Department of Historic Resources, no other guidebook on the market today rivals it for historical detail, accuracy, and credibility.

Civil War Road Trip, Volume II: A Guide to Virginia & Maryland, 1863-1865 Michael Weeks 2012-05-07 Provides directions and maps for touring the sites of the Civil War's main campaigns in Virginia and Maryland from 1863 to 1865.

Delicate Creatures J. Michael Straczynski 2002-01-22 Life within the castle walls is all the fairies know and trust, until Trifle witnesses a princess being tortured and breaks the barriers into a war-stricken land to try and help save her life.

U.S. Grant Michael B. Ballard 2005 The author culls the diaries and letters of the

Union general to reveal the secrets of Grant's military successes, unraveling the strategies and command techniques while chronicling his extraordinary tenure as commander of the Union forces.

Civil War Brian Michael Bendis 2007-02-21 Ripped from the pages of New Avengers, comes an explosive hidden story of Marvel's secret past, the secret history of Marvel's most secret team - how they came together and how they are ripped apart. Plus: Spidey's got a new lease on life, new powers and a new costume, courtesy of his new best friend Tony Stark. So what could possibly go wrong? With clouds quickly building on the horizon, the bonds that Spider-Man now forges may very well determine his capacity to withstand a coming storm. The Marvel Universe is about to split down the middle, and the line is drawn here! You will be asked: whose side are you on? Collects *Fantastic Four* (1997) #536-537, *New Avengers: Illuminati One-Shot*, *Amazing Spider-Man* (1999) #529-531.

Strengthening Peace in Post-Civil War States Matthew Hoddie 2010-09-30 Among the more frequent and most devastating of conflicts, civil wars—from Yugoslavia to Congo—frequently reignite and even spill over into the international sphere. Given the inherent fragility of civil war peace agreements, innovative approaches must be taken to ensure the successful resolution of these conflicts. *Strengthening Peace in Post-Civil War States* provides both analytical frameworks and a series of critical case studies demonstrating the effectiveness of a range of strategies for keeping the peace. Coeditors Matthew Hoddie and Caroline A. Hartzell here contend that lasting peace relies on aligning the self-interest of individuals and communities with the society-wide goal of ending war; if citizens and groups have a stake in peace, they will seek to maintain and defend it. The rest of the contributors explore two complementary approaches toward achieving this goal: restructuring domestic institutions and soft intervention. Some essays examine the first tactic, which involves reforming governments that failed to prevent war, while others discuss the second, an umbrella term for a number of non-military strategies for outside actors to assist in keeping the peace.

On the Road to Total War Stig Förster 2002-08-22 Essays tracing the roots and development of total industrialized warfare in the United States and Germany.
