**The Fatal Tree** Stephen Lawhead 2014-11-11 Kit stared at his fellow questors. "Is this it . . . the End of Everything?" It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. hope of survival the very man he tried to murder. Kit and Cass are back in the Stone Age trying to reach the Spirit Well. But an enormous yew tree has grown over the portal, effectively cutting off any chance of return. "In the sweeping style of George R. R. Martin and J. R. Tolkien, Lawhead has created a diverse universe and rich cast of characters. Multiple story lines weave to form a satisfying ending to this mythological speculative series." —Library Journal

**Murder Incorporated: Empire, Genocide, and Manifest Destiny** Mumia Abu-Jamal 2018-02-06 This book strives to set the record straight, to educate, to enlighten and to enliven the people against the corruptions of empire--corruptions that stretch from Columbus's first steps on Hispaniola through yesterday's murderous drone attack. The prevailing myth is that America's prized possessions and greatest exports are democracy and the dream of freedom. The naked truth, say Abu-Jamal and Vittoria, is that the American dream is illusory and America's greatest export is in fact murder - and that along the way to the kill, it thieves, suppresses, and tyrannizes. More than a history book, this is a lively, irreverent, and spirited alternative to the orthodoxy of American exceptionalism.

**Empire Falls** Richard Russo 2011-11-09 Winner of the Pulitzer Prize "Russo writes with a warm, vibrant humanity.... A stirring mix of poignancy, drama and comedy." —The Washington Post Welcome to Empire Falls, a

blue-collar town full of abandoned mills whose citizens surround themselves with the comforts and feuds provided by lifelong friends and neighbors and who find humor and hope in the most unlikely places, in this Pulitzer Prize-winning novel by Richard Russo. Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town—and seems to believe that “everything” includes Miles himself. In *Empire Falls* Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

The Bone People Keri Hulme 2005-04-01 Integrating both Maori myth and New Zealand reality, *The Bone People* became the most successful novel in New Zealand publishing history when it appeared in 1984. Set on the South Island beaches of New Zealand, a harsh environment, the novel chronicles the complicated relationships between three emotional outcasts of mixed European and Maori heritage. Kerewin Holmes is a painter and a loner, convinced that "to care for anything is to invite disaster." Her isolation is disrupted one day when a six-year-old mute boy, Simon, breaks into her house. The sole survivor of a mysterious shipwreck, Simon has been adopted by a widower Maori factory worker, Joe Gillayley, who is both tender and horribly brutal toward the boy. Through shifting points of view, the novel reveals each character's thoughts and feelings as they struggle with the desire to connect and the fear of attachment. Compared to the works of James Joyce in its use of indigenous language and portrayal of consciousness, *The Bone People* captures the soul of New Zealand. After twenty years, it continues to astonish and enrich readers around the world.
