Babe Ruth and the Creation of the Celebrity Athlete

Thomas Barthel 2018-07-16

"Much has been written about Ruth, but as someone who teaches sports marketing, I really appreciate the angle taken by Barthel, who reveals how the most marketable athlete of his day parlayed great celebrity into business opportunities. This book has much to offer baseball fans and marketing scholars alike."—John Fortunato, author of *Sports Sponsorship: Principles and Practices* and *Commissioner: The Legacy of Pete Rozelle*. From his first year in the majors, George Herman "Babe" Ruth knew he could profit from celebrity. Babe Ruth Cigars in 1915 marked

his first attempt to cash in. Traded to the Yankees in 1920, he soon signed with Christy Walsh, baseball's first publicity agent. Walsh realized that stories of great deeds in sports were a commodity, and in 1921 sold Ruth's ghostwritten byline to a newspaper syndicate for \$15,000 (\$187,000 today). Ruth hit home runs while Walsh's writers made him a hero, crafting his public image as a lovable scalawag. Were the stories true? It didn't matter—they sold. Many survive but have never been scrutinized until now.

Drawing on primary sources, this book examines the stories, separating exaggerated facts from clear falsehoods. This book traces Ruth's ascendance as the first great media-created superstar and celebrity product endorser.

The Modern Baseball Card Investor Jeff Hwang

2014-06-01 In the wake of the great baseball card bubble of the late 1980s and early 1990s - a time period in which new baseball card issues were wildly overproduced - everybody knows that modern baseball cards are worthless, and that valuable cards are strictly a vintage thing. And yet, many of the most valuable cards of the last 40-50 years have been printed in the last five to ten years. How is it possible that a Bowman Chrome Yasiel Puig card issued in the fall of 2013 sold for \$18,000 in January 2014, or that a Bowman Chrome Mike Trout
